

Kawasaki Robot

Medical and Pharmaceutical Robot

MSR05N

All stainless steel

Vapor hydrogen peroxide (VHP) resistant and FDA approved gasket and seals

Cleanroom classification

Meets ISO Class 5
(Class 100 of US FED STD 209E) cleanroom standard

Sanitary features

Streamlined design features high performance seals and chemical resistant stainless steel to facilitate decontamination process

Hollow wrist

Through-arm cable feature eliminates cable interference

Flexible motion

7-axis configuration makes it easy to avoid potential interference with other equipment and provides high dexterity for flexible or complex motion
